

Chemical Operations Associate / Delivery Driver

Description

Chemical Operations Associate / Delivery Driver

Location: Greensboro, NC

Salary Range: \$45,000–\$58,000 annually, based on experience, licensing and qualifications

Compensation

- Non-CDL: \$45,000–\$50,000 annually
- Class B CDL with HAZMAT and Tanker endorsements: \$54,000–\$58,000 annually

Position Overview

Our client is seeking a dependable, versatile, and safety-focused individual to join their Greensboro operation.

This is not a traditional warehouse or delivery position. Our client is seeking a hands-on, mechanically inclined individual to support chemical production, equipment, warehouse, and delivery operations. The position includes chemical blending and filling, inventory and warehouse responsibilities, and the opportunity to learn the maintenance and installation of chemical tanks and related equipment.

The right person will be comfortable stepping into different responsibilities as business needs change and will take pride in being someone the team can count on.

A CDL is **not required** for this position. Candidates who already possess a Class B CDL with HAZMAT and Tanker endorsements are strongly encouraged to apply and will qualify for the higher compensation range.

About Our Client

Our client is an established provider of industrial cleaning and chemical solutions with a strong reputation for customer service, safety, and operational excellence.

The Greensboro operation offers a family-oriented culture where people are valued and employees tend to stay. Long-term tenure is common throughout the organization, with many team members building careers of five, six, ten years or longer with the company. This is an opportunity to join a stable organization with a strong team environment and people who genuinely enjoy working together.

If you feel that you're the right fit for this role then we want to hear from you today!

Veterans Welcome!

Primary Responsibilities

- Assist with daily warehouse and facility operations
- Support chemical production, filling, packaging, and inventory management
- Safely load and unload products and delivery vehicles
- Maintain warehouse organization, cleanliness, and operational readiness

Titan Executive Search

Employment Type

Full-time

Industry

Chemicals, Manufacturing

Job Location

Greensboro, NC, United States

Base Salary

\$ 45000 - \$ 58000

Date posted

October 28, 2026

- Assist with equipment maintenance and general facility needs
- Provide backup delivery support for local and regional routes when properly licensed and qualified
- Follow applicable DOT, HAZMAT, PPE, chemical-handling, and company safety requirements
- Work closely with branch management to support operational needs and customer service expectations
- Perform additional operational duties as needed

Required Qualifications

- Valid driver's license with an acceptable driving record
- Strong work ethic, reliability, and willingness to assist in multiple areas of the operation
- Ability to safely load, unload, and handle chemical products
- Ability to perform the physical tasks associated with warehouse and production operations
- Commitment to following established PPE, chemical-handling, and company safety procedures
- Strong communication and organizational skills
- Ability to work independently and as part of a team

Preferred Qualifications

The following are preferred but **not required**:

- Class B Commercial Driver's License (CDL)
- HAZMAT endorsement
- Tanker endorsement
- Previous experience in chemical distribution, manufacturing, warehouse operations, or commercial delivery
- Familiarity with DOT regulations and chemical-handling procedures

Ideal Candidate

The ideal candidate is dependable, team-oriented, safety-conscious, and willing to pitch in wherever needed. This position is well suited for someone who enjoys variety rather than performing the same task every day and who takes pride in helping an operation run smoothly.

Whether supporting production, organizing inventory, assisting in the warehouse, maintaining the facility, or providing backup delivery coverage, this person will play an important role in the overall success of the Greensboro team.

Candidates **without a CDL are encouraged to apply**. Candidates who already possess a Class B CDL with HAZMAT and Tanker endorsements will qualify for the higher compensation range based on experience and qualifications.

Compensation

- **Non-CDL:** \$45,000–\$50,000 annually
- **Class B CDL with HAZMAT and Tanker endorsements:** \$54,000–\$58,000 annually

All commercial driving responsibilities are contingent upon possessing the appropriate licenses and endorsements and meeting applicable DOT requirements.
