## Field Service Technician – Chemicals (\$24 – \$26/Hour + Benefits)

### Description

#### **NATIONAL CHEMICALS MANUFACTURER IS SEEKING AN EXPERIENCED SERVICE TECHNICIAN!**

My client is a leading, \$300MM+ National Specialty Chemicals Manufacturer who is seeking a qualified Service Technician to service their Mid-South Industrial customers. This is a long term career opportunity offering a competitive salary plus benefits, great work environment and more.

You will be an invaluable piece to this operation as you will be responsible to respond to clients' requests for installs, repairs and maintenance on chemical tanks, dispensaries, pumps & more throughout the Mid-South. Must have a background as a Maintenance Technician within a Plant environment, be a team player, have a strong work ethic, be able to work well with little to no supervision and possess a willingness to learn and take initiative. This is a fantastic company that boasts long term tenure as it is a phenomenal place to work.

*Veterans Welcome!*

### Position Responsibilities:

- Integrate and work within an already successful operations team to continue delivering best in class customer service to all clients
- Install, Repair and Maintain Chemical Tanks and Dispensaries throughout the Mid-South
- Respond successfully to mission-critical requests from clients throughout the week
- Successfully work remotely with little to no supervision
- Complete tasks requested by Supervisor/Operations Manager

### Preferred Background & Experience:

- 3-5 years Maintenance Technician experience (Within a Plant Operations environment preferred)
- Knowledge of Pneumatic & Hydraulic pumps
- Some background in Diaphragms & Metering
- Some Electrical Background
- CDL Class B License a Plus (Preferred)
- HAZMAT Endorsement a Plus (Preferred)
- Tanker Endorsement a Plus (Preferred)
- Military experience a Plus (Preferred)

### Qualities We Are Looking For:

- Respectful, hard-worker who can expect to get dirty almost every day
- Individual with a strong work ethic who respects chain of command
- An individual with a strong work ethic, sense of urgency and can perform job
