General Manager – Wichita, KS

Description

Incredible Opportunity!

General Manager – Wichita, KS

My client is a growing \$100M+ Specialty Chemicals company who is seeking an experienced General Manager who will be entirely responsible for the development and performance of their recently opened operation/branch in Wichita, KS. As the General Manager, you will be the face of the brand within the Greater Wichita business and industrial communities and associations. You will utilize your direct sales, account development/management, customer service, marketing, public relations and leadership abilities to grow revenues, exceed customers' expectations in service and product every day and exponentially grow brand recognition. You will be tasked with meeting operational, sales, service and revenue goals, growing and diversifying client base, creating and maintaining strong customer relationships with current and future clients, setting sales goals and overseeing the performance of your all team members along with the general management and administrative duties of the facility. Your primary focus in the beginning will be to set the direction and tone of the future success of the Wichita operation while developing new customers in the area.

About the Company

My client has been growing rapidly for the last 40+ years and operates in every state except Alaska. With more than 50+ operations nationwide and a very strong brand name within most Industrial verticals, this individual will be joining a team of established success. My client has low turnover and a culture that is positive with a collaborative team oriented approach to supporting customers. They provide a balanced life style and encourage employees' family time. Good health habits are also important and they provide a competitive benefit package.

Additional Information

While you will be responsible for setting the tone and direction of the operation in general, it already has a stellar operations team in place This is certainly a critical role within the company and we are taking some time to find the right person. If you know that you are the right person for this opportunity and have the experience and skillsets we are looking for then I want to hear from you today!

Veterans Welcome!

General Manager Responsibilities:

- Grow revenues through continuous solution-selling activity including lead generation, prospecting and closing new customers
