Industrial Account Manager

Description

Incredible Opportunity! Well-established & local Chemicals Manufacturer has an immediate opening for an Industrial Account Manager in Charleston-St. Albans, West Virginia

Our client is a well-established, local \$300M+ Specialty Chemicals manufacturer who has been selling Chemical products and/or equipment solutions to the nation's Industrial verticals for the past 40+ years. They are privately-held, experiencing solid growth and have 50+ locations nationwide. They are seeking to add another member to their Sales team in Charleston-St. Albans, West Virginia. The ideal fit would be an entrepreneurial, self-starter with at least 3+ years of successful B2B/Industrial sales experience and who is looking for the ideal sales career opportunity that offers uncapped commissions and monthly residuals on closed accounts.

The company develops long term relationships with a variety of industrial customers in West Virginia that include Oil & Gas, Food Production, Manufacturing Facilities, Pulp & Paper Mills, Breweries & more. You will be a vital piece to this process as you will be the face of the brand and will consultatively prospect, present and close these accounts. Once you close on these relationships, you will continue to provide outstanding customer service on a regular basis while the Operations team continues to handle the monthly deliveries and refills.

This is truly a long term sales career for the true sales professional as our client offers a base salary plus **Uncapped, Residual Commissions** for every account closed and then those commissions are paid again as residuals every time the operations team redelivers the product to your account. You are actually building a long term income for yourself that is uncapped.

If you feel you are the right individual for this incredible sales career opportunity then I want to hear from you today!

Veteran Welcome!

Responsibilities

- Identify, contact, prospect, present and close Industrial accounts across West Virginia
